

Welcome Remarks

First of all, I welcome our Father, His Son - Jesus Christ and His Spirit - Holy Spirit into this glorious conference today which is also our 7th year anniversary. Glory be to God in the highest.

I welcome all our guest pastors and ministers who gladly accepted our invitation. It's a great honor to have you in our midst today and throughout these three days. You're all welcome. All our guests that have joined us from around the globe and will still join us in this conference are welcomed. My prayer is that you will be pointed out for miracles and you will testify to the goodness of the Lord.

The Victorious Ladies, hooray! I welcome you all to this year's celebration. It's a spiritual celebration. We've been having testimonies since the past few years even during covid-19, 20 and 21. Our testimonies have increased to the glory of the Lord and will increase the more this year .

I welcome our pastor in the house, Pastor Jude F Akinleyimu. More grace and more anointing, our prayers is that God will meet all your desires according to His will and purpose. Amen

Feel free, relax, be engaged, participate, be blessed and be a blessing to others. I also implore you to visit our website and/or contact us with any questions, observations, suggestions, comments and prayer requests you may have. We have a God that sees, listens and always attends to our concerns.

SISTER CAROL HURTIG

Mrs. Carol Hurtig is a member of Waterbrook Bible Fellowship in Wylie, TX. She's a member of the Mission Team at her church. Her desire for those whom God has placed in her care is for them to become disciples of the Lord Jesus and to follow The Great Command; to go into the world and preach the Gospel (Good News), so they might be saved and KNOW Jesus who is their creator. She desires for them to grow in His word, and their relationship with Him.

Mrs. Hurtig was saved at age 7. When she gave her life to the Lord, she asked Him to use her in any way He saw fit to bring others to know Him. She was gifted with the gift of Missions and has been on several mission trips to Colombia (the country), and locally involved in several ministry outreaches, SOUL Homeless Ministry, Witnessing at the State Fair of Texas, and Shows of varying types. She supports these ministries: Surpassing Grace Ministry in Myanmar (and locally), e3 Partners (Colombia), and Dulos Partners (all organizations who reach the lost in global mission efforts).

She also teaches the bible and leads two- 16 week classes on the Book of Mark.

She studied apologetics, and methods of engaging people in conversation about their belief system, under the guidance of the Holy Spirit, to plant seeds, and help them see the flaws in their beliefs, so that they can turn to the Truth in Jesus and be saved.

Two of her favorite sites from which she gathers materials and knowledge are Stand to Reason (str.org, Greg Koukl) and LivingWaters (Ray Comfort), but there are a list of other place where she dines on knowledge to advance the Kingdom.

She was the owner of B3 Wellness, a nutritional consulting business formed many years ago which is now a passionate hobby for her.

Please reach out to her if you'd like to know more about evangelism and/or her story.
